REPLY UNDER 37 C.F.R §1.111

In response to the Office action dated November 12, 2004, the Applicants respectfully request that the Examiner issue a proper and complete Office Action. The Office Action, issued by the previously-assigned Examiner, Mitra Kianersi, fails to address the patentability of claims 8 and 16. The failure of Examiner Kianersi to address each of the pending claims renders it impossible for Applicants to consider all options in the continued prosecution of the individual claims. Accordingly, Applicants respectfully request that the Office Action be withdrawn and a proper and complete new Office Action be issued.
